SWICA

Completa Forte, Completa Top and Praevita

The important addition to your basic insurance

Useful and important: Completa Forte, Completa Top and Praevita supplementary insurance from SWICA

With the supplementary Completa Forte, Completa Top and Praevita plans, you can fill any gaps you may have in your mandatory basic cover. This means you will have comprehensive cover and receive attractive contributions towards maintaining your health.

Completa Forte

Complementary medicine
Up to 120 francs per hour for complementary medicine therapy methods

Vision aids
90% up to 900 francs for glasses and contact lenses every three calendar years

Orthodontic treatment
50% of the costs up to 10000 francs per calendar year for orthodontic work until the age of 25

Emergencies abroad
Comprehensive cover for emergencies abroad: full cover for medically necessary treatment and repatriation costs, search and recovery costs and emergency transport costs of up to 150000 francs per calendar year

Medication
Cover of medication that is not covered by basic insurance (within the indication), as well as homeopathic, herbal and anthroposophic products prescribed by healthcare providers we recognise

Health promotion and preventive healthcare
90% up to 500 francs for preventive activities related to exercise, nutrition and wellbeing per calendar year (e.g. fitness, sports clubs, dance classes, nutritional advice, swimming pools and saunas)

“I’ve been insured with SWICA for as long as I can remember. Fortunately I’ve always enjoyed good health, and I intend to ensure that it stays that way. Thanks to the contribution from SWICA towards my gym membership and my annual membership at the pool, I am more motivated to do something to stay in good physical health.”

Ursina Zulian | satisfied SWICA customer
